ENERGY-SAVING PROGRAM

Quick Home Energy Checkup (QHEC)

QUICK HOME ENERGY CHECKUP **FREE IN-HOME ASSESSMENT**

Improve the efficiency of your home with this fast and easy home walk through.

A **Quick Home Energy Checkup** (QHEC) is a great place to start to learn about your home's energy efficiency and the steps you can take to improve your home's efficiency and lower your energy costs.

- You'll receive a **FREE** in-home assessment from a Certified Energy Auditor, who will assess your home's energy usage.
- The Certified Energy Auditor will provide you with recommendations for greater efficiencies through equipment upgrades or other energy-saving opportunities.
- Additionally, you will learn about simple actions you can take to help lower energy costs.

During the assessment, the auditor may also install energy-efficient products at **no cost**, including:

- LED Lightbulbs
- Faucet Aerators
- Showerheads
- Pipe Insulation
- Advanced Power Strips
- Installation of (1) eligible Smart Thermostat with proof of purchase through the SJG Marketplace (southjerseygasmarketplace.com).

Schedule your FREE assessment today.
