

Multifamily Direct Install

Landlord / Management / Condominium Association Permission Agreement

Dear Landlord/Manager:

Your tenants or condominium owners may qualify for the South Jersey Gas Multifamily Direct Install Program, a program sponsored by South Jersey Gas. Through the Multifamily Direct Install Program, we would like to install proven energy conservation measures – at no cost to you as the owner, or to any eligible tenants or condominium association management that express interest in the program – located at:

Tenant Name/Condominium Owner (Plea	se Print):				
Street address:	Unit #	City:	Sta N J		Zip code:
Fill out this section if permitting wor	k for the entire complex	c/building			,
